CURE RATE

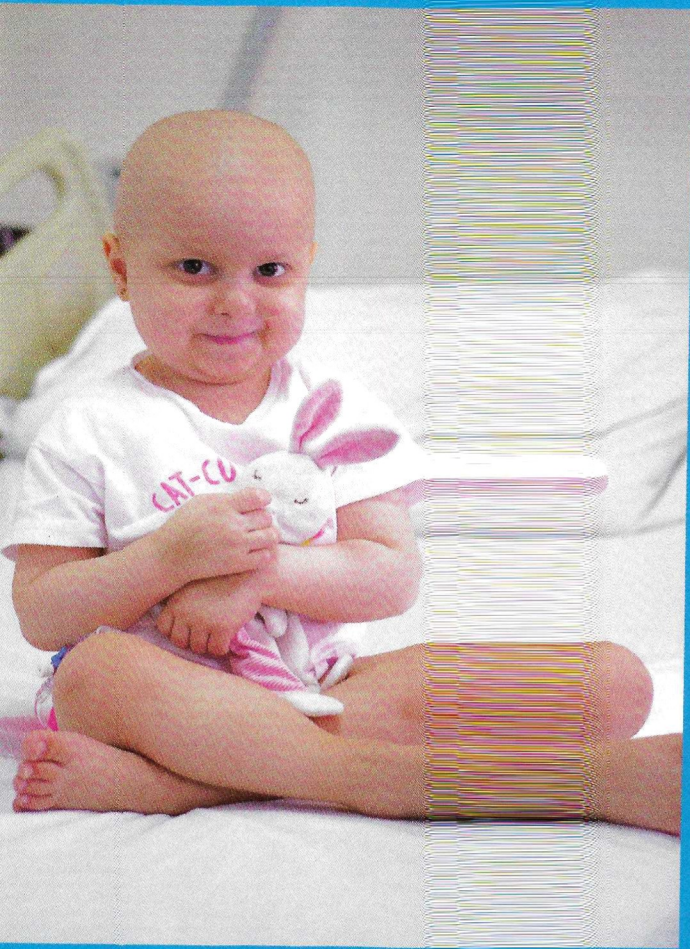

HOW DO WE HELP

We treat every child on an individual basis, tailoring our support to cover what they and their family needs. We cover expenses for chemotherapy, radiotherapy, imaging, lab work, and aftercare and work with nine hospitals across Lebanon.

OUR KEY PILLARS

- Chance is a non-profit organization officially registered in both Lebanon and Switzerland.
- We work closely with hospitals in Lebanon and in Europe to provide the very best care possible to children.
- Apolitical, and non-religious. Our commitment is to help children fighting cancer.

Children With Cancer Have A High Cure Rate.

Let's Give Them
A CHANCE.

For You Donations:

Banque Credit Libanais SA

Account Name : CHANCE - Children Against Cancer
